 Society*

The Dorothy Griffin Society

Formerly named in honor of Dr. Thomas Flandrau and his wife Clarissa, who provided medical care to train accident victims and raised the necessary funds to build a hospital in Rome, Rome Hospital Foundation's membership society is now renamed to recognize a great philanthropist

and community citizen in the Rome community, Dorothy G. Griffin.

Born in 1914, Mrs. Griffin, along with her brother Bill, operated a multi-million dollar business in Rome, Varflex Corporation. Dorothy Griffin was an active community advocate who watched the Rome community evolve and transition over the years. She recognized the needs of the community and was committed to giving back to the area in which she helped in growing a successful business. Her support and contributions to Rome Hospital Foundation have been generous, numerous and extremely impactful. Her recognition of the importance of the vitality of Rome Memorial Hospital to our community serves as an inspiration to the many philanthropic members that support our mission.

PHILANTHROPY BEGINS WITH A PASSION FOR MAKING A DIFFERENCE IN THE LIVES OF OTHERS

At Rome Memorial Hospital, passion leads skilled professionals to provide medical care for every stage of life to the thousands of patients who come through our doors every year. From welcoming the community's newest residents in our family-centered Maternity Department to helping seniors feel at home in our skilled nursing facility, Rome Memorial Hospital is making a difference.

You can make a difference through a leadership gift to The Dorothy Griffin Society of Rome Hospital Foundation. A donation to The Dorothy Griffin Society is a gift that will impact our patients in a real and meaningful way – patients who are our family members, friends and neighbors. **Your support of The Dorothy Griffin Society demonstrates your commitment to quality health care, right here close to home.**

Gifts to The Dorothy Griffin Society provide resources that support Rome Memorial Hospital in a variety of ways. As a flexible source of revenue, your unrestricted gift may be quickly directed toward the area of greatest need. Your gift is also an investment in the future of health care in our community, directly impacting patient care through the purchase of state-of-the-art equipment or renovations and upgrades to existing areas of the hospital. Rome Memorial Hospital remains at the leading edge of innovative techniques and comprehensive services for our patients, thanks to community support.

HOW YOU CAN MAKE *A Difference*

You can make a difference by joining this select group of individuals dedicated to the health care of our community and who have invested in Rome Hospital Foundation. To become a member, complete the attached pledge form or contact Becky D'Aiuto, Executive Director, at (315) 338-7181.
